Lake Worth ISD is excited to present to you Skyward Family Access. This software is intended to make it easier for you to get involved in your child's daily educational activities. We are providing you with the ability to view your student's information via the web. Information that will be available to parents includes the following:

1. Attendance information shown day or month with the appropriate codes.
2. Ability to notify the office if your student is absent.
3. Student's schedules, with an email link to each teacher for contact purposes.
4. Discipline information.
5. Information about student's grades including current and missing assignments.
6. Emergency contact information.

You may access this system through the district web site at www.LWISD.org/Parents/Skyward Family Access. You may access this link from a personal computer. If you do not have a personal computer you may use the computers at the public library. Lake Worth public library is located at 3801 Adam Grubb Drive, Lake Worth, Texas 76135. For more information on computer use at the library please call 817-237-9681.

OBTAINING A FAMILY ACCESS ACCOUNT (Only one form is needed for each family)

Guardians/Parents should complete the Family Access Logon/Password Request Form and return it to your child's school. Identification will be required. You will then receive your user logon and password through email. If you do not have an email address, you will be able to obtain your username and password from the registrar at your child's school.

It is important to keep your password in a safe place. Doing so ensures that no one else can obtain information you do not want others to view. If you have difficulties accessing your child's information, or have any questions, please contact the PEIMS Department at 817-306-4200.
