

MyNutriKids.com

our family friendly system for online prepayments and nutrition education

For Parents

- **Manage** your entire family's school meal accounts from home, office or any Internet accessible computer.
- **24/7** convenient access to prepayment service, account balances and recent purchase history information.
- **Check** your child's current meal account balances online.
- **View** a report of the last 30 days transactions for your child.
- **Automatically** receive low balance email notifications.

For Students

- Get through the serving line **faster**.
- Spend **more time** with friends.
- **No more** lost or forgotten lunch money.
- More time to **enjoy** meals.

Make school meal account payments using a major credit or debit card, PayPal account or eCheck
