All students who, in the opinion of a teacher, are in violation of this dress code will be sent to the principal or designee (i.e., assistant principal) for a determination. Administrators will have complete and final judgment on all matters concerning the interpretation of the Student Dress Policy code. Matters concerning appearance and dress not specifically covered in Student Standardized Dress Policy shall be within the discretion of the administration. If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to ISS for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.
