Dr. Sylonda D. Burns, Principal Mary Diaz, Assistant Principal Mrs. Becky Smith, Counselor

March 17, 2020

Dear N.A. Howry Bullfrog Parents and Guardians,

As you may know, Lake Worth ISD has been actively monitoring the COVID-19 (coronavirus) situation and has remained in constant contact with health officials who have been providing guidance and recommendations. By now you have probably heard the public announcement that the **Lake Worth ISD will be closed March 16th – 27th** based on a recommendation by the Tarrant County Health Department and the Center for Disease Control. This means that all campus events, field trips, student trips and UIL practices and competitions are postponed effective immediately and throughout the closure. I want you to know that your safety and well-being is our top priority at this time and we are committed to having an open line of communication throughout this process. We are currently compiling online and hard copy enrichment options to ensure that your children continue to learn and grow at home with minimal interruptions, and we will share those options with you by the end of the week. Your child's teacher will be reaching out to you in the next few days to get an idea of your abilities to participate in online enrichment or if a paper copy is needed. Once you receive these options, our staff is committed to working with you related to any questions you may have during this time. We are also creating strategic plans to support families in the event that the closure goes beyond the above mentioned date.

As a reminder, Lake Worth ISD will be providing free meals for the next two weeks (March 16 – March 27). The Child Nutrition staff will offer Grab and Go lunch and breakfast (for the following day) via curbside service, at the below campuses, during the below times. Students 18 and under must be present to receive meals. Meals will be served 11:00 a.m. – 12:30 p.m. daily at any of the following campuses:

Howry Intermediate School: 4000 Dakota Trail, Lake Worth

Lake Worth High School: 4210 Boat Club Rd., Lake Worth

Collins Middle School: 3651 Santos Drive, Ft. Worth

Meals will be located at the front of each school during these times. For more information, contact Child Nutrition Services at 817-306-4214.

Thank you for your continued support as we work together to protect the health and safety of our students and community. Should you have any questions or concerns related to this matter, please feel free to email the District at covid19information@lwisd.org. For the latest updates and information, please continue to monitor the Lake Worth ISD website.

Yours in Education,

Dr. Sylonda D. Burns
